- Segundo Ciclo de Educación Primaria

## Join Mowgli on this thrilling journey through the jungle and roar with excitement!

With the help of talkative Baloo, wise Bagheera and a jungle full of singing, dancing and mishaps, you will experience a wild adventure learning English through growls and laughter. A thrilling musical, with catchy beats, brilliant dialogue and plenty of surprises. Come down to the jungle and discover how learning English can be the wildest part of the school year! Howwwwwwwlllllllll.....!!!!!!!!!!!!!!

## > Perfect for...

Reinforcing English learning through entertainment while working on active listening, oral expression and social values such as friendship, cooperation and respect for diversity.

## > Don't miss...

The wildest songs in the jungle, the craziest dances and a stage adaptation that turned each and every roar into laughter.

## > Did you know?

Did you know that *Mowgli* means "frog"? Yes! That was the name given to him by the wolf pack because he didn't have fur - like all human babies. Kipling, the author of the story, invented this name to sound wild and different.
