# FAIR PLAY

## › Education level

- Segundo Ciclo de Educación Primaria
- Tercer Ciclo de Educación Primaria
- Primer y Segundo Curso de ESO

**Sometimes fairness... isn't what it seems. In this comedy full of chaos, mistakes and rule-breaking, two very unusual teams face each other in the craziest match of the year.**

Distracted players, referees messing with their whistles and a mascot with more charisma than strategy. Anything can happen when the game starts and the rules... are optional. A show to make you laugh, move and learn English through absurd games, crazy ideas and impossible goal-scoring. Totally adapted to your level of English, the high school's strangest and funniest team is waiting for you down at the theatre. The ball's in your court now.

## › Perfect for...

Learning English in a fun way while working on social values such as respect, cooperation and fair play, using sporting vocabulary and humorous situations.

## › Don't miss...

Hilarious gags and absurd humour, with a mascot who steals the limelight in a match where the rules... are constantly changing!

## › Did you know?

Each year, more than 100 million people watch the Super Bowl live in the US alone, and it is broadcast in over 180 countries! It's as if half the planet comes to a stop to watch a match...and a show.
