

PIRATES

PIRATES

> Education level

- Segundo Ciclo de Educación Primaria
- Tercer Ciclo de Educación Primaria
- Primer y Segundo Curso de ESO

All aboard for the most thrilling theatrical adventure in English, packed with humour, action, confusion and unforgettable characters from the high seas.

Among secret maps, hidden treasures, eccentric captains and anything-but-conventional sailors, students will dive into a fast-paced, highly visual show full of hilarious situations. A stage production designed to hold their attention from beginning to end and turn English into a true adventure.

> Perfect for...

Perfect for working on specific English content through a visual, participatory and humour-filled adventure.

> Don't miss...

Don't miss its maps, treasure chests, quests, songs and outrageous characters, which will turn the stage into a real adventure.

> Did you know?

In the early eighteenth century, Nassau, in the Bahamas, was home to a kind of "pirate republic". Although it was never an official state, it came to function as a semi-autonomous community of pirates who shared shelter, resources and certain rules of their own, until the British Crown regained control in 1718.
